

REFER TO WIN!

Once again for the 2021 year, we are offering a prize for referring clients to us. This year our prize is **EITHER** an iRobot Roomba OR a Nintendo Switch. The rules are the same as last year, so each new client that you refer beginning January 1, 2021 earns you a chance to win one of these prizes.

Here is how it works:

1. Encourage your friends and family to have their taxes filed with us
2. Register your referral with Pete or Stacey
3. For each referral, you earn one **chance** to win
4. A referral will count under the following conditions:
 - The referred client's tax return is filed and accepted by April 15th
 - The referral comes after January 1, 2021
 - Referrals that come in **after** April 15th will be counted towards **next** year's contest.

One winner will be selected after April 15th and will be featured on our website!

The more referrals you send us, the greater your chance of winning is!

Good Luck!
